

Setting up AmazonSmile for Charitable Giving to the Tuberous Sclerosis Alliance

This guide will walk you through setting up an AmazonSmile account for the first time and also provide instructions on changing your designated charity to the Tuberous Sclerosis Alliance on the website and if you are using the Amazon App (which must be done separately after web setup).

Setting up an AmazonSmile account for the first time using the website:

Step 1: Visit <https://smile.amazon.com>

Step 2: Sign in with your Amazon.com credentials

Step 3: Choose the National Tuberous Sclerosis Association (the legal name of the Tuberous Sclerosis Alliance) as your preferred charity to generate donations for the items you purchase. (The items are not more expensive when setting this up, a portion of the proceeds go to the Tuberous Sclerosis Alliance).

You'll use the smile.amazon.com link to register AND for ALL your future Amazon shopping.

*** Even after you've signed up for AmazonSmile and selected the Tuberous Sclerosis Alliance, shopping through the regular amazon.com won't benefit the charity.

Amazon will remind you from time to time, but it's best to just use the smile.amazon.com link from now on. You can Bookmark or Add to Favorites so it's easier to find in the future. Holding the 'CNTRL button + D' will automatically save it to your bookmarks on a Windows OS.

Step 1: Go to smile.amazon.com

Step 2: Sign in using your normal Amazon login

Step 3: Search for the National Tuberous Sclerosis Association and then Select it as your charity

A screenshot of the charity selection interface on AmazonSmile. A red arrow points from the top left towards the search bar. The main area displays the UNCF - United Negro College Fund as a suggested charity, with a description of its mission and a 'Select UNCF - United Negro College Fund' button. To the right is a list of other charities: UNCF - United Negro College Fund, Equal Justice Initiative, Feeding America, Save the Children, and Meals On Wheels America. Below this is a search bar with the text 'Or pick your own charitable organization:' and a search box containing 'Tuberous', with a 'Search' button. The results section shows 'Showing 1-11 of 11 Results' and 'Sorted by: Relevance'. The first result is the 'National Tuberous Sclerosis Association', with a red arrow pointing to its 'Select' button. Other details for this result include 'Silver Spring MD' and 'Incorporation Year 1975'.
